

SA-CIPRK25-RFID

RUBBER PROTECTION FOR CIPHERLAB RK25 RFID TERMINAL

(Care / Carry - Protective holsters)

Main colour

Black

Material

Rubber

Rubber boot for CIPHERLAB RFID RK25 terminal

This very new rubber cover for the RK25 handled device fits perfectly with its RFID pistol grip

It's quick to slip on and off, and allows easy battery replacement

Lightweight, ergonomic, perfect overthickness, non-slip and affordable

It is equipped with eyelets (3 at the bottom and 2 at the top) to hang a shoulder strap (SHOL-STRAP1 not included)

Nylon padded shoulder strap with metal hooks (SHOL-STRAP1) available separately
