

SC-QDIS&4090MKIT

(Cables - Audio interface)

QD CABLE FOR MOTOROLA-SYMBOL WT4000 / VOW TERMINALS & ANTI-TEAR KIT

Cable type	Straight cable
Cable length	30 cm
Material	Thermoplastic polyurethane (TPU) (cable)
Material	Metallic (anti-tear kit)
Connector type	Quick Disconnect (QD)
Connector type	Motorola-Symbol WT4000/VOW series

QUICK DISCONNECT interface cable (SC-QDIS&4090M) for use with ZEBRA-MOTOROLA-SYMBOL voice terminals WT4090, WT4190, WT41N0 (WT4XXX) with display, or VOW without display. With anti-tear screw-on metal kit (SK-WT4090), to ensure a solid and permanent fixing of the connector on the terminal

- **Made of TPU: lightweight, excellent elasticity and resistance**
- **Shielding to prevent extraneous EMR noise interference**
- **Excellent performance at all operating temperatures**
