**VOCOLLECT**  
T2/ T2X / T5  
A500 & A720

Interchangeable cable  
with HRS connector

Industrial "extreme cold" (up to -30°C) wired headset for Vocollect talkmans T2, T2X, T5, A500 & A720, and compatible solutions

In addition to being very light, comfortable and remarkably robust, its parts are quickly interchangeable when needed, allowing you to eliminate costly downtime due to repairs:

- The cable can be easily replaced thanks to the HRS connector
- The headband (in Grilamid TR90 and metal) is also replaceable, just 2 screws to unscrew and screw back
- The earpiece-microphone part is available as a spare part
- Even the shell of the terminal connector can be changed thanks to its 3 screws (SK-REPAIRVOC4)

Each headset is delivered with a cable with a Vocollect compatible connector (SC-SDHS3&VOC2)  
Additional set of standard protective foams included (also available separately in individual bags)  
Incompatible with model A730 of the A700 series

*Especially designed for voice picking operations, our headsets are tested and proven daily in demanding industrial and warehouse environments worldwide*
