BUDGIE On The Go (BOTG)

Industrial Bluetooth "hands-free" omnidirectional 1D/2D barcode reader
Equipped with the Scan Engine imager ZEBRA SE4750MR, guaranteeing exceptional 1D/2D reading performance:

- Short or long reading distance: from 5 cm to 437 cm, depending on the resolution of the 1D or 2D code (consult us)
 - Very fast scans in all directions (360° reading in the plane of the code to be read)
 - Reading labels that are slightly damaged or covered with transparent film
 - + Ultra rugged, designed to withstand the toughest working conditions (-25°C to +55°C)
 - + Enhanced Bluetooth performance: V1.2 / Class 1 (>100 meters range; 500m in open field)
 - + Very long battery autonomy (more than 30 hours of continuous use with a full battery) and fully recharged in only 1h30
 - + Different operating positions: worn on the wrist or on the back of the hand, very easily adaptable thanks to the many carrying accessories available
- 3 years warranty parts and labour, excluding accessories and consumables (trigger button, cable, holders, gloves and clips). Possibility of warranty extensions up to 5 years.
-> Supplied with trigger button cable (SA-TRIGGER1) and rear clip (SA-CLIP1-REAR)
