

SH-ECHS2CQD

(Headsets - High noise)

NOISY ENVIRONMENT WIRED HEADSET WITH QUICK DISCONNECT (QD) CONNECTOR AND SAFETY HELMET CLIP

Weight	230 g
Main color	Black
Material	Multiple (ABS plastic structure / clip with metal arms)
Size	Universal
Cable length	85 cm
Cable type	Straight cable

Rugged industrial wired headset with QD connector for voice or multimodal terminals, PDAs, smartphones, etc.

Specific model for wearing with a safety helmet (not included), it is perfectly suited for use in high noise and/or freezer environments (up to -25°C)

- Fastening clip (SA-ECHS2CLIP) for safety helmets, easy and quick to replace. For classic use, the clip can also be easily replaced by a headband (SK-ECHS2-HDBD)
- Earpad cushion completely covering the ear
- Noise-cancelling microphone significantly reduces ambient noise mixing with worker responses
- Quick Disconnect cable easily interchangeable thanks to the mini XLR connector

Each headset is delivered with its Quick Disconnect cable (SC-ECHS2&QDIS)

(incompatible with DATALOGIC terminals)

Especially designed for voice picking operations, our headsets are tested and proven daily in demanding industrial and warehouse environments worldwide
