Industrial standard headset for vocal solutions, without cable

In addition to being very light, comfortable and remarkably robust, its parts are quickly interchangeable when needed, allowing you to eliminate costly downtime due to repairs:

- The cable can be easily replaced thanks to the HRS connector
- The headband is also replaceable, just 2 screws to unscrew and screw back
- The earpiece-microphone part is available as a spare part

**If necessary, order the interface cable separately (see related products)
(incompatible with DATALOGIC terminals)**

Especially designed for voice picking operations, our headsets are tested and proven daily in demanding industrial and warehouse environments worldwide
