Interchangeable cable with HRS connector

**Industrial "extreme cold" (up to -30°C) wired headset with 3.5 mm right angled jack connector for PDAs/Smartphones**

**In addition to being very light, comfortable and remarkably robust, its parts are quickly interchangeable when needed, allowing you to eliminate costly downtime due to repairs:**

- The cable can be easily replaced thanks to the HRS connector
- The headband (in Grilamid TR90 and metal) is also replaceable, just 2 screws to unscrew and screw back
- The earpiece-microphone part is available as a spare part

**Each headset is delivered with its cable (SC-SDHS&PDA1-L)**

**Additional set of standard protective foams included (also available separately in individual bags)**

**Especially designed for voice picking operations, our headsets are tested and proven daily in demanding industrial and warehouse environments worldwide**
