Interchangeable cable with HRS connector

VOCOLLECT
T2/ T2X / T5
A500 & A720

Industrial "extreme cold" (up to -30°C) wired headset for Vocollect talkmans T2, T2X, T5, A500 & A720, and compatible solutions

In addition to being very light, comfortable and remarkably robust, its parts are quickly interchangeable when needed, allowing you to eliminate costly downtime due to repairs:

- The cable can be easily replaced thanks to the HRS connector
- The headband (in Grilamid TR90 and metal) is also replaceable, just 2 screws to unscrew and screw back
- The earpiece-microphone part is available as a spare part
- Even the shell of the terminal connector can be changed thanks to its 3 screws (SK-REPAIRVOC4)

Each headset is delivered with a cable with a Vocollect compatible connector (SC-SDHS3&VOC2)
Additional set of standard protective foams included (also available separately in individual bags)
Incompatible with model A730 of the A700 series

Especially designed for voice picking operations, our headsets are tested and proven daily in demanding industrial and warehouse environments worldwide
