| Main color | Black |
| Material | Multiple (ABS plastic structure / headband with metal bands) |
| Size | Universal |
| Cable length | 125 cm |
| Cable type | Straight cable |

Interchangeable cable with HRS connector

Standard industrial wired headset with 3.5 mm right angled jack connector for PDAs/Smartphones
In addition to being very light, comfortable and remarkably robust, its parts are quickly interchangeable when needed, allowing you to eliminate costly downtime due to repairs:

- The cable can be easily replaced thanks to the HRS connector
- The headband is also replaceable, just 2 screws to unscrew and screw back
- The earpiece-microphone part is available as a spare part

Each headset is delivered with its cable (SC-SDHS&PDA1-L)

Additional set of standard protective foams included (also available separately in individual bags)

Especially designed for voice picking operations, our headsets are tested and proven daily in demanding industrial and warehouse environments worldwide
