Connector type	HIROSE (HRS) ST40X-10S-CV male (cable)
Connector type	Vocollect compatible (cable)

Interchangeable cable with HRS connector

Standard industrial wired headset for Vocollect talkmans T2, T2X, T5, A500 & A720, and compatible solutions

+ comfort earpad cushion cover in artificial leather and soft foam, which is particularly efficacious and pleasant to wear in rugged environments (noisy, freezers, etc.)

In addition to being very light, comfortable and remarkably robust, its parts are quickly interchangeable when needed, allowing you to eliminate costly downtime due to repairs:

- The cable can be easily replaced thanks to the HRS connector
- The headband is also replaceable, just 2 screws to unscrew and screw back
- The earpiece-microphone part is available as a spare part
- Even the shell of the terminal connector can be changed thanks to its 3 screws (SK-REPAIRVOC4)

This kit is composed of:

- a standard wired headset with a Vocollect compatible connector (SH-SDHS4VOC)
- a leatherette speaker cover foam (SA-SDHSFOAMEAR2)

Each headset is delivered with a cable with a Vocollect compatible connector (SC-SDHS3&VOC2)

Additional set of standard protective foams included (also available separately in individual bags)

Incompatible with model A730 of the A700 series

Especially designed for voice picking operations, our headsets are tested and proven daily in demanding industrial and warehouse environments worldwide
